

WORKSPACE SERVICES

- Desktop & Laptop support

Agilitas' Desktop & Laptop service provides our channel partners with an up to 4hr SLA parts swap out service across the whole of the UK. Supporting many of the leading manufacturers of both desktop and laptop products, this multi-vendor service provides businesses with a more flexible and cost-effective option to existing OEM support packages. With the ability to quote this service via our AssureMeNow pricing tool means channel partners are equipped with the necessary tools to add this robust and simple solution to their services portfolio.

Features

- 24/7 service desk for around the clock support.
- Helpdesk support (Level 1) on behalf of channel partners.
- Provision and delivery of OEM or "like-for-like" alternate parts to customer site for desktops, and laptops.
- SLA - either NBD or 4 hour response.
- One price per SLA model (caveats may apply).
- A swap-it service option (InventoryAssure+) - (stock is bonded, build added and sent to customer, faulty kit is collected, repaired, then returned to bonded stock).
- Two pricing options based on buffer stock provision.
