AGILITAS®
PASSION TO INNOVATE

CAREER OPPORTUNITY

JOB TITLE:

Temporary Software Developer
Fixed term contract (12 months)

Background

Agilitas is the leading global innovator of customer driven IT channel services, passionate about delivering first class IT services on behalf of vendors, IT resellers and managed service providers to extend their service capability and improve customer satisfaction.

Agilitas delivers solutions across workspace, server, storage and networking technologies to channel partners to over 60 countries throughout the world. These services include maintenance services, technical support, professional services and specialist engineering resource.

Guided by our shared values, we all take pride in everything we do, working as one team with a shared vision to deliver the highest standards to our customers. We work in a fast moving ever-changing environment, so we are constantly looking at driving improvements to stay ahead of our game. There is a real passion to innovate across the whole Agilitas team, whether that be to improve our internal processes for our colleagues or simply make the customer experience a more pleasurable one! 5 core PRIDE values (Passion, Respect, Innovate, Deliver, Embrace) unite the Agilitas team and ensure we remain focused and consistent in everything we do.

We firmly believe that investing in our people is the greatest investment we can make into the future success of our business and our great employees have played a pivotal role in ensuring our company's growth. We are now recruiting for a pick Warehouse OPerative to join our established team as the primary interface between Agilitas and our UK customers.
